Moral Courage is of the mind, while physical courage is of the body: but mind and body are so closely connected that I think it is impossible to separate the one sort of courage from the other. In many instances of human daring, the moral courage combined with physical to a resolute endurance of physical suffering becomes added to a consciousness of duty. But while physical courage in a human being implies at the least, the moral courage implies much more. This moral courage is the courage which braces us always to do our duty. This is the noblest form of courage and yet it is the courage most

Kung fu - 'kung' meaning 'energy' and 'fu' meaning 'time' - is a Chinese martial art whose recorded history dates back to around 525 CE, during the Liang dynasty. The man credited with introducing martial arts to China is said to be an Indian monk known as Bodhidharma. Many people have a misconception that Chinese Kung Fu is about fighting and killing. It is actually based on Chinese philosophy and is about improving wisdom and intelligence. Taoist philosophy is deeply rooted in and had a profound influence on the culture of Chinese martial arts. The five traditional animal styles of Shaolin Kung Fu are the dragon, the snake, the tiger, the leopard and the crane. The union of the five animal forms clearly displayed the efficacy of both hard and soft movements, of both internal and external energy - this form of Chinese martial arts was known as Shaolin Kung Fu, named after the temple in which it was developed.

Questions:

- i. Which country does the martial art belong to?
- ii. What is the meaning of the term „Kung Fu“?
- iii. Write any two martial arts of India?
- iv. What are the five animal styles followed in Shaolin Kung Fu?

(OR)

I know what the caged bird feels, at last
When the sun is bright on the up and slopes;
When the wind stirs soft through the
Springing grass,
And the river flows like a stream of glass;
When the first bird sings and the first bud
Opes,
And the faint perfume from its chalice steals-
I know what the caged bird feels.

Questions:

- i. Where did the wind stir?
- ii. What does the „opes“ mean?
- iii. How does the river flow?
- iv. Suggest a suitable title for the poem?
